S I R S:

PLEASE TAKE NOTICE that pursuant to FRCP 34 you are required to produce within thirty (30) days hereof, the following documents for purposes of inspecting and copying the same.

DEFINITIONS

A. As used herein, "document" shall mean any printed, written, recorded, taped, electronic, graphic, computerized printout or other tangible matter in any and all defendant's

possession, custody or control, from whatever source, however produced or reproduced,
Case 7:08-cv-03557-SCR Document 4 Filed 06/10/2008 Page 2 of 6
whether in draft or otherwise, whether sent or received or neither, including the original and
any non-identical copy (whether different from the original because of notes or markings
made or attached to such copy or because of any other reason), including, but not limited to
correspondence, memoranda, reports, agreements, contracts, statements, notes, computations,
audio tape recordings, records, plans, appraisals, maps, deeds, mortgages, leases, bills,
invoices, checks, money orders, surveys, and pleadings.

B. As used herein, "communication" is used in the broadest sense possible and
includes any statement from one person to another, whether made orally or in writing, by
telephone, in a document, at a meeting or otherwise.

C. As used herein, "referring to" is used in the broadest sense possible and
includes any reference to or connection with the above case, including but not limited to,
references or connections arising out of the above case.

D. Whenever used herein, the word "including" means "including without
limitation."

INSTRUCTIONS

A. This discovery request shall be deemed continuing so as to require further and
supplemental production if defendant discovers, obtains or creates additional responsive
documents between the time of initial production and the time of trial.

grounds of destruction, loss, privilege, or attorney work product, and if any objections are interposed, to specify the basis or reasons for each. If any document requested herein was formerly in any or all defendant's possession, custody or control and has been lost or destroyed, defendant is requested to submit in lieu of such a document a written statement identifying the author(s), recipient(s), subject matter, date prepared, date the document was lost or destroyed, reason(s) for such destruction and the person(s) requesting and performing the destruction. With respect to any documents withheld from production on the grounds of privilege or attorney work product, defendant is requested to identify each such document by author(s), recipient(s), subject matter, date, title, subject matter and nature of privilege claimed. If any information is withheld because it is stored electronically, defendant is requested to identify the subject matter of the information, the place or places where such information is stored and maintained, and the custodian thereof.

C. Any description of documents requested that is specific in nature should not be interpreted to diminish the breadth of any more general request that may otherwise encompass such specified documents.

D. All documents produced for copying and inspection pursuant to these requests are to be segregated and labeled to correspond with the categories in this request to which they are responsive.
